

WHITE BOY WHITE'S

Power Roots Trio

The recent formation of White Boy White's Power Roots Trio is a quirky international mix of misfit veteran, musicians. Each character displaying their unique background and culture under the spotlight which provokes a truly visceral experience for the viewing audience. These guys will brazenly pump out the big sound of a 5 member band on any given day.

American front man, Richard "White Boy" White brews a twisted concoction of deep southern blues, ragtime and Piedmont of which has always been a dominant influence throughout his life. In 2016, White Boy released his solo album "Till I find my dyin' bed", to critical worldwide acclaim. In 2013, along with "Jr Charley" Vergés, he releases the album "Shadow of the night" produced by award winning, Memphis blues man Little Victor. With his distinctive dark, haunting voice, White Boy will leave no doubt from where his musical origins come from.
